Description of Table 6.

This table provides a summary of data that are included in the Redistricting Data Summary File for the geographic areas noted earlier in this news release. Data are shown for the population of one race and for the population of two or more races. The population of one race is divided into six categories. The population of two or more races is the total of the population in the 57 specific combinations of two or more races. The redistricting file includes data for each of these 57 combinations.
